Objective

Motivated and detail-oriented Full Stack Developer fresher with a strong foundation in both front-end and back-end technologies. Eager to contribute to dynamic development teams and deliver efficient, scalable web applications while continuously learning and growing in a collaborative environment.

Education

- **Ayya nadar janaki ammal college** 2021
B.com
- **E Careerpluz Info India Pvt. Ltd Under Ministry of Skill Development & Entrepreneurship**
Draughtsman Mechanical (CSC/Q0402) 2022 - 2023
- **Code purple academy** 2024-2025
Fullstack web development

Skills

- Frontend: HTML5, CSS3, JavaScript, React.js, Tailwind CSS
- Backend: Node.js, Express.js
- Database: MongoDB, MySQL
- Tools: Git, GitHub, VS Code, Postman
- Others: REST APIs, Responsive Design, JSON, Axios

Mini Projects

- **E-commerce (Html & css)**
Developed a responsive e-commerce website layout with product listings and cart structure using pure HTML and CSS.
- **E-commerce (Reactjs)**
Built a dynamic and visually appealing e-commerce user interface using React.js.

Integrated Material UI for styling, Redux for state management, and tooltips for enhanced user experience. Used design templates to create a professional and responsive layout with reusable components like product cards, navigation bar, and cart section.

- **Personal Portfolio**

A modern and interactive portfolio website built using ReactJS, designed to showcase personal projects, skills, and experiences. The interface is visually appealing and responsive, using Material UI components and Framer Motion animations for a smooth and dynamic user experience.

- **ToDo list**

A simple and intuitive task management application that allows users to efficiently organize their daily tasks. Built with a user-friendly interface to Add, Edit, and Delete tasks in real-time.

- **Movies search API**

A responsive movie search application that helps users explore details of upcoming and popular movies using IMDb-based APIs. The app supports keyword-based search and provides rich information like posters, ratings.

Strengths

- Quick learner with a passion for technology , Strong problem-solving and debugging skills , Adaptable team player with good communication, Ability to work independently and meet deadlines

Languages

- Tamil, English
